

KOSTH Guides Checklist

- ☐ Turkey hunting and/or guide experience is required.
- ☐ Land in Kansas you have permission to hunt on - DO NOT HUNT WHERE YOU DON'T HAVE PERMISSION. The obtained landowner permission is for the HUNT - not for guides to hunt after the event - those arrangements must be made separately.
- ☐ Must be 21 years of age or older.
- ☐ You are your hunter's host - make sure they have all permits, licenses - VIEW THEM - DON'T ASSUME. Ask them when you talk to them prior to the event.
- ☐ Connect with your hunter BEFORE the event - ensure they can shoot and that they have proper equipment needed.
- ☐ Make sure your hunter has transportation to and from events - contact KOSTH if transportation is needed.
- ☐ Whether using the KDWP App or a paper permit - follow procedure - don't assume the hunter knows what needs to be done.
- ☐ Understandably, it is not always easy to attend events for those who travel to hunt, but it is important to the organization for you and your hunter to be present.
- ☐ Honesty and integrity are a must! If your hunter shoots at a bird more than once, be honest at weigh-in. Be courteous to the landowners and other guides.
- ☐ You must sign a waiver of liability and provide the landowner permission slips to KOSTH ON TIME.
- ☐ Be prepared for any emergency - check in with your hunter on health issues.
- ☐ ENJOY, HUNT SAFELY, AND HAVE FUN!
