*****All guides are requested to attend two meetings scheduled in mid-October 2026, and March 2027 (exact dates TBD). Attendance is extremely important as these meetings will include the introduction of new guides, reintroduction of seasoned guides, and opportunities for our past guides to serve as mentors for our new guides. Your participation ensures we continue building a strong, supportive, and connected team.**

This form is intended for internal use to help us maintain an accurate, unified database for all Kansas One Shot Turkey Hunt guides. It allows us to confirm who would like to participate in the upcoming event as well as those who are opting out.

By signing and submitting this form, you confirm your commitment to guide for the 2027 hunt or request to be removed from the active guide roster.
